EUREMAP Summer School on Marine Bioprospecting Program – 29/06/2026

Monday, 29th June 2026

Venue: InnovOcean Campus, Jacobsenstraat 1 - 8400 Ostend

Google maps: <https://maps.app.goo.gl/5Kk6z81B5acSXfzK6>

Time	Item	Presenter
11:30-13:00	Registration and sandwich lunch	
13:00-13:10	Welcome and introduction to the Summer School	Jana Asselman (UGent)
13:10-13:40	EUREMAP project/ Marine bioprospecting in the Arctic	Jeannette H. Andersen (UiT)
13:40-14:10	Harnessing local biodiversity and ecology for functional marine bioprospecting	Jana Asselman (UGent)
14:10-14:40	The biotech potential of halophiles from Artisanal Saltworks	Deborah Power (CCMAR)
14:40-15:10	EU-OPENSREEN & the role of European Research Infrastructures in marine bioprospecting	Anna Vetter (EU-OS)
15:10-15:30	Coffee break	
15:30-16:00	Integrating big data at EMBL-EBI to advance marine bioprospecting	Santiago Sanchez (EMBL)
16:00-16:30	MEDINA and its role in marine bioprospecting	Olga Genilloud (MEDINA)
16:30-17:00	Harnessing Environmental Microbiomes from Soil to Sea as Sources of BioTools for Sustainable Innovations	Diogo Neves Proença (UALg)
17:00-17:30	Current update on KIST (Korea Institute of Natural Products)	Joonki Kim (KIST)
17:30-18:00	Application of molecular docking simulation in Natural Product research	Keunwan Park (KIST)
18:00-18:05	Group picture	
18:30	Social Dinner @Cierk	

EUREMAP Summer School on Marine Bioprospecting Program – 30/06/2026

Tuesday, 30th June 2026

Venue: InnovOcean Campus, Jacobsenstraat 1 - 8400 Ostend

Google maps: <https://maps.app.goo.gl/5Kk6z81B5acSXfzK6>

Time	Item	Presenter
09:00-09:30	Welcome back and summary from day 1 + Introduction to day 2	Eveline Diopere (UGent)
9:30-10:15	Open Science and FAIR data	Cymon Cox (CCMAR)
10:15-11:00	Coffee break	
11:00-12:30	Nagoya protocol and the BBNJ treaty from a negotiation standpoint	Tom Geerinkx (UGent) Han de Koeijer (Belgian lead on BBNJ MGRs)
12:30-13:30	Lunch break	
13:30-14:15	Navigating Marine Biodiversity Research Beyond Discovery	Amelia Westmoreland (3BIO)
14:15-15:00	Saving the Ocean with Law and Science: the new UN BBNJ Agreement	Marcel Jaspars
15:00-15:30	Coffee break	
15:30-16:15	BBNJ: A negotiator's perspective	Hendrik Segers

EUREMAP Summer School on Marine Bioprospecting Program – 01/07/2026

Wednesday, 1st July 2026

Venue: Bio base Europe Pilot Plant + Tech Lane Ghent Science Park (iGent, Auditorium 1)

Meeting point: InnovOcean Campus, Jacobsenstraat 1 - 8400 Ostend

Google maps: <https://maps.app.goo.gl/5Kk6z81B5acSXfzK6>

Time	Item	Presenter
08:00	Meet-up at Innovocean Campus Ostend & bus to Bio Base Europe Pilot Plant (BBEPP)	
09:00-11:30	Arrival at BBEPP: Welcome and coffee	
	Introduction BBEPP and collaborations in marine technologies	Evelien Uitterhaegen (BBEPP)
	Collaboration between EUREMAP partner SZN & BBEPP	Donatella de Pascale (SZN)
	Guided tour of Bio Base Europe Pilot Plant	
11:30-13:00	Bus to Tech Lane Ghent Science park (incl. lunch break)	
13:00-13:30	Welcome and introduction to Tech Lane Science Park	Johan Bil (UGent)
13:30-14:00	Business developer perspective: From discovery to innovation	Sven Arnouts (UGent)
14:00-14:30	Academia meets industry: why good contracts matter	Yadira Olvera (VIB)
14:30-15:00	Coffee break	
15:00-15:30	Academic research perspective: Research valorization,	Bart Devreese (UGent)
15:30-16:00	Industry perspective: IP and contracting	Wim Grunewald (Apeha.BIO)
16:00-16:30	Microbiology & chemistry of marine bioprospecting	Jinsoo Park (KIST)
16:30-17:00	Application of molecular docking simulation in natural product research	Suk Woo Kang (KIST)

Funded by
the European Union

EUREMAP Summer School on Marine Bioprospecting Program – 02/07/2026

Thursday, 2nd July 2026

Venue: Marine@UGent, Bluebridge, Wetenschapspark 1, Oostende

Meeting point: Lange Nelle Lighthouse, Buskruitstraat/Vuurtorendok-West - 8400 Ostend

Google maps: <https://maps.app.goo.gl/yjRXxoPjCATpqrEc8>

Time	Item	Presenter
08:30	Meet-up at Lange Nelle Lighthouse + bus to Marine@UGent facilities	
09:30 – 11:00	Arrival at Marine@UGent facilities + plenary briefing	
11:00-12:00	Lab session 1	Eveline Diopere - Ilias Semmouri – Tineke Vanhalewyn – Charlie Roland (UGent)
12:00-13:00	Lunch break	
13:00-14:00	Lab session 2	Eveline Diopere - Ilias Semmouri – Tineke Vanhalewyn – Charlie Roland (UGent)
14:00 – 15:00	Lab session 3	Eveline Diopere - Ilias Semmouri – Tineke Vanhalewyn – Charlie Roland (UGent)
15:00 – 15:30	Coffee break	
15:30-16:30	Lab session 3	Eveline Diopere - Ilias Semmouri – Tineke Vanhalewyn – Charlie Roland (UGent)
16:30 – 17:00	Wrap-up of the day	Eveline Diopere (UGent)

Funded by
the European Union

EUREMAP Summer School on Marine Bioprospecting Program – 03/07/2026

Friday, 3rd July 2026

Venue: Marifish.inc, Wandelaarkaai 7/61, 8400 Ostend

Google maps: <https://maps.app.goo.gl/VWhTPeKvKqjK6tpk6>

Time	Item	Presenter
08:45-09:30	Introduction Marifish + Introduction to the ETN H2OPE network	Evy De Bruyker (Marifish) / Jana Asselman (UGent)
09:30-10:00	Marine Biodiscovery in a Changing World	Olivier Thomas (Galway)
10:00-10:30	Coffee break	
10:30-12:00	ETN H2OPE workshop (Session 1)	Group work
12:00-13:00	Lunch break	
13:00-13:30	Ocean-inspired solutions for a sustainable food system	Natalia Prieto (EHU)
13:30-15:00	ETN H2OPE Workshop (Session 2)	Group work
15:00	Closing of the EUREMAP Summer School	Jana Asselman (UGent)

EUREMAP Summer School on Marine Bioprospecting

Support & partners

The Summer School on Marine Bioprospecting is organized by [Marine@UGent](#) within the [EUREMAP](#) project, with additional support from [MarineTraining.eu](#), [ENLIGHT European University](#) and the ETN H2OPE network to accommodate wider participation. Furthermore, it is recognized as an initiative under the [UN Ocean Decade](#).

**Funded by
the European Union**

Co-funded by
the European Union
